SHERRY KUBANYI

THE FITNESS ATTORNEY

Sherry Kubanyi is a trial attorney in Buckhead Atlanta who also competes as an IFBB Bikini Professional Fitness Athlete. Sherry states every single day she embraces her ability to balance her love of the law with her love of fitness. "Being an attorney can be stressful sometimes. For me, exercise counteracts that stress. I just feel mentally and physically strong when I weight train." "I am blessed to be able to practice law and compete as a professional athlete." Sherry started the Kubanyi Law Firm in early 2015 and loves the uniqueness of her practice. She feels that it allows for an up close and personal view of her clients' lives. "I love my clients, I competed at a show in Florida three years ago, as I was leaving the stage, I realized one of my clients was in the audience, he looked at me and said... 'from now on, I am going to call you The Fitness Attorney' and the name has stuck!" When asked what keeps her sane when balancing two careers - Sherry admits it does take a certain amount of will and determination "As a female trial attorney, I've realized that the world needs strong women - women who dare to use their strength in the pursuit of their life's vision. With that in mind, everyday I endeavor to be strong-minded, strong-hearted, strong-souled and strong-bodied."
